

*No two businesses are alike.  
Neither are our conference venues.*

*Whatever your business,  
we have the venue to fit  
your needs.*

*With over 40 properties  
across Western North  
America, we have a variety  
of backdrops to choose from.  
Whether you'd prefer a  
week-long corporate seminar  
close to the waterfront, a  
client presentation near  
a golf course, or an intimate  
meeting in the snow-peaked  
mountains, we have the  
facilities to create the  
perfect ambience.*

*And we realize that no one's  
on the dock 24/7. So when  
the big event is over, there's  
still lots to do and enjoy.  
Many Coast locations have  
pools, fitness centres, and  
spas, so your attendees  
can unwind and re-charge.*

*So get more pleasure,  
and more leisure, out of your  
next meeting – choose Coast.*
